Meeting

Crops and Canes held a Trail Obstacles Day on Sunday, March 22, 2009. We gathered at the Northern Virginia 4H Center in Warren County, VA.

The members in attendance were Amy Strickler, Kevin Yungk, Amy Grimm, Andi Johnson, Tish Harper and Karen Young. We enjoyed the beautiful Spring weather.

Our horses really got into the spirit of the day and played with stuffed animals, a mailbox filled with carrots and balloons, crossed a tarp, ground poles in an L configuration, and crossed a wooden plank!

We are very proud of their willingness to enjoy the day. Our members also made good use of the

riding ring for schooling their horses.

Big congratulations to Amy Strickler and Andi Johnson on achieving their D1 rating. Thanks to Amy Grimm for conducting the ratings. Good job, ladies!

Next on our agenda is an upcoming trail ride.

These minutes from the last meeting were recorded and written by club President Karen Young in the absence of the secretary.

Next Meeting

Currently, the next meeting is tentatively known as a trail ride, however, the date and time has yet to be announced. The information will be sent out as soon as possible.
