## Welcome in 2007

Once again we are at the time of year where membership sign-ups are due. I am sending out the forms for everyone and asking that they be returned to either myself or Melinda White our Treasurer by Feb.1 This allows me enough time to get them into the OPRC for 2007.

We will be getting our OPRC 07 cards and our certificates for our rating at this time. I will also need to know who did not receive their armbands when you send in your paperwork and dues. And I will get them ordered for you.

Please encourage any friends you have that are interesting in joining to come have fun with us!
