Hi!

We are still in the planning stages. TNT Equestrian Center (www.tophatntailsriding.com) is located at 7651 Friendsville Rd. Lodi, Oh 44254. We are 8 miles south of Medina. It is owned and managed by Shannon Edgar who recently moved from Litchfield (AKA Top Hat N' Tails - TNT). I am hoping the clinic will take place on Aug 3rd but have not yet confirmed a date with Alex. Alexandra Mayer was one of my instructors at the Robert Mayer Riding Academy where I was an apprentice for 5 years. She has ridden and trained many horses to Grand Prix and is extremely well versed in the art of Classical Dressage. She trains horses from breaking through Haute Ecole and is willing to work horses during the clinic if appropriate. She trains beginner riders as well as the professional - she will work with you where you are at. If you are interested in working on your seat, she can give you a lunge lesson on your horse if it is trained to do so. If you would like to participate in this clinic, please send me an email with your name, phone number, address, type and length of lesson you would prefer, date preferred (will mainly be up to Alex's availability), horse you will bring and issue you want to focus on. If you are interested in a semi private, I will try to match up as many riders as I can. These prices are not final! They are estimates but will give you an idea.

1 hr private lesson - \$80

30 min private lesson - \$45

1 hr semi-private (2 people) - \$50 each

Thanks for your interest - look forward to meeting you!
